Your inquiry concerning "WEEE Directive" for Endress+Hauser

Dear valued customer

Thank you for your inquiry regarding Endress+Hauser compliance with the European Union **Directive on waste electrical and electronic equipment**, WEEE, Directive 2012/19/EU, which regulates waste electrical and electronic equipment.

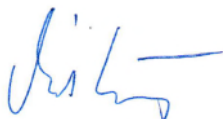

Endress+Hauser is committed to compliance with all relevant laws and regulations, including the WEEE Directive.

In reply to your inquiry, all of our European Sales subsidiaries are already or in the process of getting registered for WEEE and follow the formal requirements of the directive. Hence, we are comprehensive and fully compliant to WEEE.

We trust that this letter will answer your questions. Should you require any further information, please contact your local Endress+Hauser Sales Office (see www.endress.com for contact information).

Kind regards,

Endress+Hauser Group Services AG
